

§ 252.43 Applicability.

(a) *Scope*—(1) *Applicability*. Except as provided in paragraph (b) of this section, this subpart applies to any covered company, which includes:

(i) Any bank holding company with average total consolidated assets (as defined in § 252.42(c)) of \$50 billion or more;

(ii) Any U.S. intermediate holding company subject to this section pursuant to § 252.153 of this part; and

(iii) Any nonbank financial company supervised by the Board that is made subject to this section pursuant to a rule or order of the Board.

(2) *Ongoing applicability*. A bank holding company (including any successor company) that is subject to any requirement in this subpart shall remain subject to any such requirement unless and until its total consolidated assets fall below \$50 billion for each of four consecutive quarters, as reported on the FR Y-9C and effective on the as-of date of the fourth consecutive FR Y-9C.

(b) *Transitional arrangements*—(1) *Transition periods for bank holding companies that become covered companies after October 1, 2014*. (i) A bank holding company that becomes a covered company on or before March 31 of a given year must comply with the requirements of this subpart beginning on January 1 of the following year, unless that time is extended by the Board in writing.

(ii) A bank holding company that becomes a covered company after March 31 of a given year must comply with the requirements of this subpart beginning on January 1 of the second year following that given year, unless that time is extended by the Board in writing.

(2) *Bank holding companies that rely on SR Letter 01-01*. A covered company that is relying as of July 20, 2015, on Supervision and Regulation Letter SR 01-01 issued by the Board (as in effect on May 19, 2010) must comply with the requirements of this subpart beginning on January 1, 2016, unless that time is extended by the Board in writing.

(c) *Transition periods for covered companies subject to the advanced approaches*. Notwithstanding any other

requirement in this section, for a given stress test cycle:

(1) The Board will use 12 CFR part 225, appendices A and E (as applicable), and 12 CFR part 217, subpart D and F, as applicable, to estimate a covered company's pro forma regulatory capital ratios and its pro forma tier 1 common ratio for the stress test cycle beginning on October 1, 2014 and will not use the advanced approaches until January 1, 2016; and

(2) Beginning January 1, 2016, the Board will use the advanced approaches to estimate a covered company's pro forma regulatory capital ratios and pro forma tier 1 common ratio if the Board notified the covered company before the first day of the stress test cycle that the covered company is required to use the advanced approaches to determine its risk-based capital requirements.

§ 252.44 Annual analysis conducted by the Board.

(a) *In general*. (1) On an annual basis, the Board will conduct an analysis of each covered company's capital, on a total consolidated basis, taking into account all relevant exposures and activities of that covered company, to evaluate the ability of the covered company to absorb losses in specified economic and financial conditions.

(2) The analysis will include an assessment of the projected losses, net income, and pro forma capital levels and regulatory capital ratios, tier 1 common ratio, and other capital ratios for the covered company and use such analytical techniques that the Board determines are appropriate to identify, measure, and monitor risks of the covered company that may affect the financial stability of the United States.

(3) In conducting the analyses, the Board will coordinate with the appropriate primary financial regulatory agencies and the Federal Insurance Office, as appropriate.

(b) *Economic and financial scenarios related to the Board's analysis*. The Board will conduct its analysis under this section using a minimum of three different scenarios, including a baseline scenario, adverse scenario, and severely adverse scenario. For the stress test cycle beginning on October 1, 2014,
